Serial No.: 10/594,455

Attorney Docket No.: LNK-020

Further to Applicants' Response to Missing Parts submitted June 22, 2007, the USPTO indication in the Notice of Missing Parts of June 20, 2007 that the original submission failed to include an English translation of the as-filed International Application was in error. As evidenced by Applicants' original Rule 371 Transmittal and the USPTO-stamped acknowledgement postcard, copies of which were previously submitted, the original submission of September 26, 2006 included a copy of the verified English translation of the as-filed International Application and thus was complete as of the September 26, 2006 filing date. Accordingly, the date of completion of all requirements under 35 U.S.C. § 371 is September 26, 2006 rather than June 22, 2007. Correction is respectfully requested.

Respectfully submitted,

Date: September 24, 2007
